Not remembered

I had been to Benares in December last, when I was put up in the Chatram for a couple of days. I then inspected the work, unauthorisedly executed by Mr. Ray, at a cost of Rs.2,125.

The two additional items of work proposed to be carried out are the construction of Out-houses, and repairing the steps of the Ghat. I understand that the estimates for these two come to about Rs.10,575, as revised by Mr. N. Lakshminarasimhaiya, Executive Engineer. These may be obtained from the Muzrai Commissioner for further scrutiny, and in the meanwhile our letter dated the 14th November 1936 to the Muzrai Commissioner stating that the improvements are not considered necessary may be held in abeyance.

Final Note by the First Member of Council.

Subject.—

Extension works to Benares Chattram.

In Government Order No. 761-3/Muz. 159-31-3, dated the 28th November 1933 sanction was accorded to an estimate for Rs. 3,050 for the completion of the improvements to Mysore Government Chattram at Benares with the direction that the contractor, Mr. R.N. Ray be permitted to complete the work in accordance with the estimate at the rates already agreed to by him; and that he be paid only for the work done according to the estimate. Mr. Ray, in his letter dated the 2nd July 1936, requested payment of his bill for an additional sum of Rs. 2,125 for certain improvements to the Chattram carried out by him unauthorisedly. He has urged that the material used by him cannot be removed and that the work was executed by him under misapprehension and in good faith. These improvements were originally included in the estimates for Rs. 10,575 prepared by Mr. N. Lakshminarasimhiah, Executive Engineer, who inspected the Chattram buildings in 1933 but owing to paucity ^{of fund,} these items were held over.

The Muzrai Commissioner is of opinion that the extension of buildings at an estimated cost of Rs. 8,161 including the amount of Rs. 2,125 claimed by Mr. Ray and improvements to steps of the ghat at a cost of Rs. 2,414—in all Rs. 10,575—may be sanctioned, and Mr. Ray permitted to complete the work as expeditiously as possible, a moiety of the cost being met from the closing balance of the Chattram savings funds this year and the other half, being provided for in the budget of the fund for the year 1937-38. It is also reported that Mr. Ray agrees to receive payment for the work, one half this year and one half in the next year.

(F. N.—contn.)

2.

When I visited Benares in December last, I inspected the work executed unauthorisedly by Mr. Ray at a cost of Rs.2,125. I also examined the proposed additions and found them quite necessary.

In the circumstances, I consider that the recommendation of the Muzrai Commissioner may be accepted. The Dewan agrees with me. I solicit the gracious approval of His Highness to the recommendation of the Muzrai Commissioner.

The improvements referred to above were begun by Mr. R.N. Ray without sanction and he has been requesting payment of a bill for Rs. 2,125/- as the material used by him cannot be removed and the work was executed by him under misapprehension and in good faith. Estimates for some work required in the Chattram Buildings for Rs. 10,575/- ~~were~~ ^{have been} scrutinised by the Executive Engineer Mr. N. Lakshminarasimhaiya who inspected the Chattram Buildings in 1933. He is of opinion that it is desirable to complete the out-houses and that Mr. Ray's work is satisfactory.

It is also reported that Mr Ray agrees to receive payment for the work one-half this year and one half in the next year

In view of the above considerations and of the arrangement for payment proposed by Mr. Ray, the Muz. Commr. is of opinion that the extension of buildings at an estimated cost of Rs. 8,161/- including the amount of Rs. 2,125/- claimed by Mr. Ray and improvement to steps ^{of the} at a cost of Rs. 2,414/-, in all Rs. 10,575/- may be sanctioned and Mr. Ray permitted to complete the work as expeditiously as possible, a moiety of the cost being met from the closing balance of the Chattram Savings Fund this year and the other half being provided for in the Budget of the Fund for the year 1937-38 as proposed by him. 1. $\mathbb{R}^n$ is a vector space over $\mathbb{R}$.

He is of opinion that it will be better to build more houses in that Mr. Nay's work is satisfactory. It is also reported that Mr. Nay agrees to execute work for Rs. 10,000 on-half ~~in~~ this year and one-half in the next year. In view of the above considerations and of the arrangement for payment proposed by Mr. Nay, the Muzrai Commissioner is of opinion that the extension of buildings at an estimated cost of Rs. 3,161/- including the amount of Rs. 2,120/- claimed by Mr. Nay and improvement to steps of the Ghat at a cost of Rs. 2,414/- in all Rs. 10,575/- may be sanctioned and Mr. Nay permitted to complete the work as expeditiously as possible, a moiety of the cost being met from the closing balance of the Chattram Savings Fund this year and the other half being provided for in the Budget of the Fund for the year 1927-28 as proposed by him. In the circumstances reported Government are pleased to sanction the recommendation of the Muzrai Commissioner.
